

Greetings Everyone!

Weff hofff yufff hafff a gofff yerfff...Oh sorry, I forgot to take my mask off... We hope you all had a great year. It's been so fun! For Thanksgiving dinner we printed off full size pictures of all 9 of the family and sat them around the table and took this picture...

We were actually hiding in our bedrooms and did a Zoom call while we ate turkey tv dinners. (Its true Governor Inslee, I swear!)

Speaking of zoom calls we have never been on so many virtual meetings in my life! We have been real busy developing the infrastructure for Foursquare Disaster Relief's new Medical branch. Building a core team, interviewing medical team members, developing policies, inventorying medical supplies, the work never ends! You would think the mission work during this Covid-19 pandemic would shut down also but we are crazy busy.

We have been in communication with our church planting leaders in PNG to try to develop online training for the national leaders isolated in the remote South Pacific Islands. I will be sponsoring the tuition for some of our key leaders to attend US based courses from BFAM (Be Fruitful and Multiply) in California. Pray that we can work out the details.

In November we went on a FDR scouting trip to Haiti to help prepare for a Medical Outreach in Haiti in January 2021. We met with the Pastor Jean Bellonde the Foursquare national leader and Matt and Anna Bryan our Foursquare missionaries to Haiti. We were also able to treat some children that were in great need for health and nutritional care in an orphanage.

We were only gone for a week in Haiti but we were able to accomplish everything we set out to do ... It was amazing to see God set up divine appointments. Everything we wanted to get accomplish we did. Now that is a miracle in a developing country!

Thanks again for your support and prayers.

Many have asked how can they help we are raising money for some equipment for our mobile medical clinic;

- Ultra sound machine
- SAT phone
- Medicines ...

You can give to:
Happy Home Community Church PO Box 1308 Deer Park, Wa. 99006

Note for the "Bickley's mission" you will be mailed a tax receipt ..

or online:

Pray for:

- Gods blessing on our Haiti trip.
- Open doors for ministry in the South Pacific in 2021
- Online training for national leaders.
